6 May 2016

Dear Parents

I wish to inform you of the following arrangements in respect of the June examinations.

EXAMS:

As you will have noted on the 2nd term programme, the learners will be writing a June exam from Thursday, 9 June to Friday 24 June 2016 thereafter the school will close for the June/July holiday.

The learners must take these exams **extremely** seriously. The following is of importance:

1. **All school rules - especially with regard to school uniform and appearance – will apply for the duration of the exam cycle.**
2. Learners must assemble in the quad at 07:40 so that the relevant exam can start at 08:00.
3. If your child is absent a doctor's letter must be provided for that day.
4. Learners may return home at the conclusion of each exam. Please make the necessary transport arrangements to ensure that your child returns home **straight away**. Learners **may not** be seen in the streets or in town during normal school hours.
5. If it is **not** possible to arrange **transport** for your child and you do not wish him/her to walk home, please indicate this on the tear-off slip. In this event learners will remain at school under supervision until 12:00 or to whatever time you request. All parents **must** complete the tear-off slip and **return** it with your child.
6. Learners need only come to school when they are writing an examination.
7. To avoid causing a disturbance around the school hall, where the matrics are writing, the **rest** of the school must leave the property each day through the **Boys Hostel gate** or the **tennis court gate** and these are the **collection points after exams**. They are **NOT** allowed to assemble on the corner of Farquhar and Convent Road.
8. Assistance is required with examination invigilation. If you are a non-working Mom, willing to assist, please contact Mrs Hanneljie Botha at the school.
9. The exam timetable is included. The duration of each exam is indicated on the timetable. Please arrange your child's transport accordingly.

LHS greetings.

JC PIETERSE

Geagte Ouers

Graag wil ek die volgende onder u aandag bring:

EKSAMEN:

Soos u reeds agtergekom het, as u 'n studie van ons kwartaalprogram gemaak het, sal ons vanjaar 'n Junie-eksamen skryf en dit sal vanaf Donderdag, 9 Junie tot Vrydag, 24 Junie duur, waarna die skole vir die vakansie sluit.

Die eksamen moet deur die leerders met die **grootste** erns benader word. Die volgende is van belang:

1. **Alle skoolreëls, veral wat skooldrag en algemene voorkoms betref, geld steeds en sal tot die laaste minuut van toepassing wees.**
2. Leerders moet 07:40 by die skool wees sodat die betrokke eksamen teen 08:00 kan begin.
3. Indien u kind afwesig is moet 'n doktersbrief vir daardie dag voorsien word.
4. Leerders kan direk na afloop van die eksamen **huis toe** gaan. U moet asseblief die nodige vervoerreëlings tref om te verseker dat u kind **direk** huis toe gaan. Leerders **mag nie** gedurende gewone skoolure op straat of in die dorp wees nie.
5. As dit **nie** vir u moontlik is om vir u kind **vervoer** te reël nie en u wil nie toelaat dat hy/sy huis toe loop nie, voltooi asseblief die afskeurstrokie dienooreenkomstig. In so 'n geval sal die leerder by die skool bly, onder toesig totdat die vervoer opdaag. Alle ouers wat dit versoek **moet** die afskeurstrokie voltooi en aan die skool terugstuur.
6. Leerders hoef net skool by te woon as hulle op 'n bepaalde dag eksamen skryf.
7. Om 'n lawaai om die skoolsaal waar die matrieks eksamen skryf te voorkom, moet die **res** van die leerders die skool elke dag deur die **hekke** by die **seunskoshuis** en by die **tennisbaan** verlaat en dit is dan ook waar u hul kan kom afhaal na die eksamen. Hulle mag **NIE** op die hoek van Farquhar en Conventstraat bymekaar kom nie.
8. Die skool verlang hulp met eksamentoesig. Indien u 'n nie-werkende ma is en bereid is om die skool by te staan, skakel asseblief mev Hannelie Botha by die skool.
9. Die eksamenrooster is hierby ingesluit. Die duur van elke eksamen word op die eksamenrooster aangedui. Reël asseblief u kind se vervoer dienooreenkomstig.

Hartlike LHS-groete
